

The Shaman's Crystals (Paperback)

By Professor Michael Hart, Maria Howard

Dog Ear Publishing, United States, 2010. Paperback. Book Condition: New. Patricia Dale (illustrator). 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. While on an archeological dig with their anthropologist grandfather, a troubled boy and his brother come into possession of three crystals with mysterious powers. An unscrupulous enemy who wants the gemstones for himself pursues them into a parallel world where the boys encounter help from an Inca Chief, a fuzzy new friend called a Tormac, and many other strange and wonderful creatures. Using a magical gateway to transport them to and from the other world, the boys try to fight off their dangerous foe while attempting to complete a special mission for the Inca nation. The first in a series of books, this includes a Tormac to English dictionary in addition to some beautiful illustrations by Patricia Dale. Michael Hart is an award-winning teacher at a private school in Los Angeles, California. Over a span of 30 years in both middle school and high school, he has taught classes in economics, psychology, journalism, social studies, screenwriting and mathematics. Coinciding with his career in education he has written six videos for Aims Media, several...
