University of Wales Press. Hardback. Book Condition: new. BRAND NEW, Hymns and Arias: Great Voices of Wales, Trevor Herbert, Peter Stead, In this collection of essays, a group of musical enthusiasts assess the international careers of great Welsh soloists in the context of the national musical tradition. These individual careers are examined against the background of wider local traditions such as the Eisteddfod, religious festivals and male voice choirs. The emphasis of the book will be on the classical and operatic but the sheer variety and perpetually evolving nature of popular music in Wales is reflected in both general essays and in studies of two of the country's most successful entertainers. The book includes detailed chapters of Tom Jones, Shirley Bassey and Bryn Terfel, alongside contemporary music phenomenons such as The Stereophonics, Catatonia and the Manic Street Preachers.
