By Jack Bloomfield

AuthorHouse. Paperback. Book Condition: New. Paperback. 260 pages. Dimensions: 10.7in. x 8.0in. x 0.5in. Jack Bloomfield, columnist, humanitarian and co-founder of the One Planet United Organization introduces his first book which brings the vision and hope of the organization to life. Jack outlines the problem, the solution and a profound yet simple plan of action for anyone who desires to be a part of the change that is necessary to bring our planet to a place of peace among all people. The programs that we have designed are for the everyday person or small group to access who want a simple guideline to follow to build community right where they live, Bloomfield says, Education, training and money are not necessary to implement OP United programs. All that is needed is a heart to serve and a desire to become personally active in healing much of division that exists among people in the world today. The book outlines specific step by step community building programs for schools, religious organizations and institutions, community centers, drama groups, corporations, neighborhoods and more that can be implemented by any one person or small group of people who desire to become active in building community and connecting...
