

## Making IT Lean: Applying Lean Practices to the Work of IT (Paperback)

By Howard Williams, Rebecca Duray

Taylor Francis Inc, United States, 2012. Paperback. Book Condition: New. 252 x 176 mm. Language: English . Brand New Book. Making IT Lean: Applying Lean Practices to the Work of IT presents Lean concepts and techniques for improving processes and eliminating waste in IT operations and IT Service Management, in a manner that is easy to understand. The authors provide a context for discussing several areas of application within this domain, allowing you to quickly gain insight into IT processes and Lean principles. The text reviews IT Service Management, with reference to the IT Infrastructure Library (ITIL(R)) as a framework for best practices-explaining how to use it to accommodate Lean processes and operations. Filled with straightforward examples, it provides enough modeling tools so you can start your Lean journey right away. Examining the work of IT from an IT practitioner perspective, the book includes coverage of: \* The OM Perspective-considers the work of IT from an Operations Management (OM) perspective, showing how many of the concepts that have been successfully applied within manufacturing can be applied to IT \*The Lean Improvement Model-explains Lean concepts and practices and details the authors Lean improvement model \*Lean Problem-Solving (Identifying and Understanding Problems)-considers operational...
