

## The Time Traveller: One Man's Mission to Make Time Travel a Reality

By Ronald L. Mallett, Bruce Henderson

Transworld Publishers Ltd. Paperback. Book Condition: new. BRAND NEW, The Time Traveller: One Man's Mission to Make Time Travel a Reality, Ronald L. Mallett, Bruce Henderson, Ron Mallett was just 10 when his father died suddenly. Devastated, he found solace in the science fiction of H.G. Wells, believing that if he could build a time machine, he could go back into the past, warn his father and perhaps save his life. Ronald Mallett is now a professor of theoretical physics. Remarkably, this working-class African American boy from the Bronx stuck with his vision, overcoming poverty and prejudice in the pursuit of his obsession. This is the story of his extraordinary journey of self- and scientific discovery. With simple language and elegant metaphor he lays out his theories and presents the reader with what is an actual blue print for a time machine. A dramatic and compelling memoir, it is also a brilliant introduction to a riveting but generally baffling subject, and a truly inspirational account of astonishing achievement.
