GRIN Verlag Dez 2009, 2009. Taschenbuch. Book Condition: Neu. 210x148x1 mm. This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2009 in the subject Politics - International Politics - Topic: International Organisations, grade: 1, Justus-Liebig-University Giessen (Institut für Politikwissenschaften), course: Crisis in Eastern Europe and the EU's response, language: English, abstract: This term paper critically reviews the International Crisis Group report 'Will the Real Serbia Please Stand up ' from April 2008. The report was published two months after Kosovo declared its independence and the subsequent rioting and looting in Belgrade. Section 2 briefly introduces the ICG and presents two main criticisms which concern the institution's organisational structure as well as its reports. In Section 3.1 I will summarise the situation in Serbia according to the above-named report and portray the conflicts about the Kosovo-question and Serbia's EU-membership. The two opposing camps of pro-EU and anti-EU-parties will be presented and the viewpoints of their respective leaders Tadic and Kostunica will be discussed. As the report was published before the early election in May 2008, Section 3 will be complemented with the outcome of it and an analysis of the results. What follows is an analysis of ICG's issues of concern and the resultant policy recommendations; in particular the recommendation to the European Union not to sign a Stability and Association Agreement with Serbia. Section 4 will summarise the paper and add concluding remarks. 20 pp. Englisch.
