Excerpt: . . . 11 facilitate sharing, unite the Eastern Colorado Health Care System with the univer-sity, and ultimately improve the timeliness and quality of health care provided to the enrolled veterans of the Denver area. The core space of the current VAMC is 50 years old and undersized for its mis-sion. Its support systems are inadequate for modern health care and it is reaching a non-recovery condition. A state-of-the-art facility would create flexible space and facilitate patient treatment in a modern day health care setting. The American Le-gion is pleased to support this legislation. While the legislation we have discussed are solid efforts to address the challenges facing the Veterans Health Administration and its mission to provide health care services, they do not go far enough. Until health care funding is provided in a consistent and timely manner, VA can-not grow...
