

Unlocking the Secrets of Jude (Paperback)

By Brother Jon

Createspace, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****. There are ten epistles that have meant a lot to me; some over many years and some in more recent time. I want to write about them. *Unlocking The Secrets Of Jude* is the first book I have done in this series. Jude, in a mere 25 verses, focuses upon the false brethren among his readers. He spends a number of verses comparing them with the godless of the Old Testament. He reminds his readers that God will judge the false believer; He hasn't forgotten to do so in the past and He won't forget now. Jude does this to get them to contend earnestly for the faith. Part of his entreaty is for them to recall and live what the Apostles had given them. In addition, he calls them to help those weak in faith, or in sin. I do hope you will come along with me as we unlock the secrets of Jude, and apply it to our lives.

Reviews

Basically no words to describe. We have read through and I also am sure that I am going to go through it once more once again later on. You may like just how the article writer composed this publication.

Thorough information! It's such an excellent read. It is really simplistic but unexpected situations within the fifty percent of your pdf. Once you begin to read the book, it is extremely difficult to leave it before concluding.
