AUTHORHOUSE, United States, 2005. Paperback. Book Condition: New. 277 x 206 mm. Language: English Brand New Book ***** Print on Demand *****.For centuries, our human drama has been challenged with war, poverty, discrimination and oppression, crime and destruction of the environment. These challenges stem from living according to the illusion of separation, rather living from the reality of Wholeness. Pure Love from the Heart is the medicine needed most for healing the past, making choices in the present and unfolding our future. It is the unifying force needed to lead nations, communities, organizations and families. The current earth challenges are a wake up call to us that the time is here for the human drama to transform into life according to the consciousness of Love and Wholeness. To get there, we resolve the ancient wounds of the individual psyche and the wounds of peoples and nations so that we can co-create a viable future for generations. Our Ways of Love influence any vision, strategy and tactics we use to improve quality of life for all and address specific crises as opportunities for healing, such as recent events in the Gulf Coast. We start by exploring our Ways of Love, healing our wounds, learning to love ourselves and then others purely. Our pathways open to remember relatedness and connections to the Whole, and to balance the past. We see more clearly and take right action at the right times. In this book, I explore my own and others love journeys and how these lead to healing, transformation and Pure Love. Through the 88 poems and stories, readers may explore and resolve their own love journeys, potentially answering a call to be Love Warriors, living and leading according to Love s Laws. The Ancients have taught that We are all related. Take...
