Babylon Books, United States, 2014. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.In the near future, a few young women manifest extraordinary abilities called Shine. Each girl s ability is different. Some develop extraordinary mental abilities. Some become physically strong. Others have powers that defy description. But the world does not embrace these Shines. It fears them. Using a controversial new test, Tennessee state authorities target and arrest Shines, even if their powers have not yet manifested. They go after Lola, a newlywed military codebreaker--and her husband is shot during her arrest. In the aftermath of the tragedy, Lola is sentenced to rehabilitation along with Shinal, a Gold Medal Olympic gymnast, and Frenchie, a hairdresser with an attitude. Stripped of their freedom and sentenced to a government camp for brainwashing, torture, and experimentation, the three Shines must find a way to escape before it s too late.
