BRAND NEW, A Practitioner's Guide to Probate and the Administration of Estates (3rd Revised edition), Emma Gaudern, Keith Biggs, The third edition of A Practitioner's Guide to Probate and the Administration of Estates (previously published as Probate and the Administration of Estates: The Law and Practice) is a practical and comprehensive guide to all forms of non-contentious probate and applications and the administration of estates. Written by practitioners for practitioners, it is packed with hints and tips, covering procedural complexities, tricky tax points, avoiding delay and more. The book opens with advice on meeting the client and taking proper instructions, moving on to tracking down the assets and liabilities which comprise the estate; completing inheritance tax forms and obtaining any available reliefs and allowances; questions concerning wills and intestacies, applying to the probate registries discretionary orders, obtaining grants of representation, collecting in the paying debts and liabilities, identifying the beneficiaries and paying the legacies, finalising the tax situation; and distributing the residue of the estate. An accompanying CD-ROM contains a comprehensive set of precedent forms, enabling practitioners to adapt precedents for their own use. This new edition has been completely revised and updated and contains a comprehensive guide to the completion of the current forms relating to Inheritance Tax and applications to the probate registries for discretionary orders and grants of representation. "clear and concise with explanations of sometimes complex matters cleverly done" New Law Journal "it would be surprising not to find this book on most practitioners' shelves" Solicitors Journal.
