Reviews

Without doubt, this is actually the greatest work by any writer. It is actually written in simple terms instead of confusing. I found out this ebook from my i and dad recommended this pdf to understand.

Creative Autonomy Publishing. Paperback. Book Condition: new. BRAND NEW, Hoodwinked, Jack Cashill, For the last century, many intellectuals and activists responsible for shaping the way we think about sex, crime, government, and even our very history have been fabricating the facts. And yet they have been published, praised, promoted, and protected by a cultural establishment that has its agendas advanced by disinformation, half-truths, and lies. As a student of American intellectual history, Cashill has come to see that much of what is taught about the last century is not merely biased but knowingly false. A Ph.D. in American studies from Purdue, and a former Fulbright professor in France, Cashill has taught at several American universities and knows all too well the spin and dissembling of the academic world and public debate. In this sensational and essential book, Cashill tells the stories behind the fraud and reveals an unsettling pattern of institutional and cultural deception. With wide scope and fine-point scrutiny, Hoodwinked finally and definitively exposes the intellectual elite's trumpery?from unwitting self-deception to conscious manipulation of data, from the merely false to the purely fraudulent?and is the perfect antidote for the corrosive disinformation that has poisoned our society, culture, and understanding of the world at large. Norm Chomsky is one of America's best known public intellectuals, the nation's self-appointed conscience. And, says Arthur Schlesinger, "it has long been impossible to believe anything he says." The bigger problem is that the same?and worse?can be said for much of America's cultural elite, and Jack Cashill exposes them all. The sexual revolution. Alfred Kinsey encouraged the sexual torture of small boys. Masters and Johnson created an imiainary heterosexual AIDS crisis. Planned Parenthood buried margaret Sanger's plan to sterilize the racially and genetically "impure." Multiculturalism.Mumia is guilty. Alex Haley's Roots was almost pure fraud. Edward...
