Living Truth Publishers. Paperback / softback. Book Condition: new. BRAND NEW, Days of Hunger, Days of Chaos: The Coming Great Food Shortages in America, Texe Marrs, Here are just some of the probing questions this groundbreaking book answers in its investigation into the coming, great food crisis: Does the Illuminati's Rockefeller Foundation now control the seeds of 95 percent of the Earth's major cereal crops-wheat, barley, and corn? (page 69); Is there a "Global Seeds Conspiracy" to place total ownership of the world's seeds-and ultimately the survival of mankind itself-in the hands of an elite cartel of multinational corporations? (page 83); Are pre-planned and contrived food shortages on the way, with small farmers being purposely driven out of business? Will a starving and desperate American populace be left begging for federal government "saviors" to solve the crisis? (page 13); What little known federal law makes it a heinous crime, punishable by imprisonment, for American citizens to hoard food, water, or fuels? (page 190); Will anger and chaos soon grip the world as desperately hungry masses of people panic, riot and storm grocery stores and supermarkets, only to find shelves cleaned out and empty? (page 195).
