

Matter, Force And Spirit - Scientific Evidence Of A Supreme Intelligence (Paperback)

By Anon

Read Books, United Kingdom, 2008. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****. PREFACE. It is believed that the advance of science has developed fundamental truths which strengthen the hands of faith. To briefly point out some of these is the purpose of this little volume. The well-informed thinker knows that so far as determined by pure reason, the question of the existence of God is one of probability only. It is only by the accumulation of truth that learning comes to the aid of faith and hope. In the contemplation of Nature, Such is the order, fitness, and beauty, whether in the infinity of space, or in its unlimited division, that even with our little knowledge of things, all language loses its vigor, and all numbers their power of reasoning. Our judgment is lost in speechless eloquent astonishment. By unavoidable convictions of cause, we complete a regression from effect to cause to a Being unconditionally necessary to such a world of life. Yet in this mental process, as in every kind of so-called proof of the existence of God, derived from speculative reason alone, we ascend from definite experience...

Reviews

A must buy book if you need to adding benefit. We have study and so i am sure that i am going to likely to study once again again in the foreseeable future. I realized this book from my i and dad encouraged this ebook to discover.
 -- Duane Fadel

The publication is straightforward in study better to fully grasp. It is definitely simplistic but excitement inside the 50 percent of your publication. It is extremely difficult to leave it before concluding, once you begin to read the book.
