Paperback. Book Condition: New. Paperback. 151 pages. How is it that the Apostle Paul reconciled his deep love of his Jewish people and his calling to impart a message to the Gentiles? In David Vissers illuminating meditation, Paul - The Apostle to the Gentiles, the author shares an in-depth biography of Paul's life, and why his role as an apostle differed from that of the other apostles. Bringing to light portions of the Bible that are seldom examined today, this important overview of the apostle's life and mission reconciles many questions that present themselves in the global arena today. In doing so, Paul's epistles are revealed as vital and hopeful texts for any individual seeking to embrace the Christian life. In a complex contemporary world, the understanding that transpired between Paul and Jesus on the road to Damascus has become more relevant and redemptive than ever. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
