Brand New Book ***** Print on Demand *****.Imagine a post-apocalyptic America, fragmented beyond recognition. People will still, no doubt, have babies. These stories will be read directly to the precious, darling angel growing in one of your wives' bellies so at the moment of birth, the child (as we will call it) will be fully educated into the proper way of thinking. Under no circumstances should the child be allowed to read this book itself. It will require your careful supervision as the parent to ensure that the proper lessons are...
