Justice in the By-Ways, a Tale of Life (Paperback)

By F Colburn Adams

Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.PREFACES, like long sermons to fashionable congregations, are distasteful to most readers, and in no very high favor with us. A deep interest in the welfare of South Carolina, and the high esteem in which we held the better, and more sensible class of her citizens, prompted us to sit down in Charleston, some four years ago (as a few of our friends are aware), and write this history. The malady of her chivalry had then broken out, and such was its virulence that very serious consequences were apprehended. We had done something, and were unwise enough to think we could do more, to stay its spread. We say unwise, inasmuch as we see, and regret that we do see, the malady breaking out anew, in a more virulent type-one which threatens dire consequences to this glorious Union, and bids fair soon to see the Insane Hospital of South Carolina crammed with her mad-politicians.
