Her mother was a biology teacher, and her father served as a pilot in the Royal Air Force. In 1977, she attended the Central School of Speech and Drama where she met her comedy partner Dawn French. After graduating Jennifer began her career at The Comedy Store in London, and it was during this time she was to meet comedian, actor and writer Adrian Edmondson, who would later become her husband. After starring in, and having great success with, The Comic Strip Presents., The Young Ones, Girls on Top and Happy Families, Jennifer went on to write a TV show, entitled Modern Mother and Daughter , which led Jennifer to write and create a brand new series: Absolutely Fabulous. Absolutely Fabulous became one of the most loved, hilarious, and ingenious TV shows in history, and the part Jennifer was to play, Edina Eddie Monsoon, brought her international acclaim and attention. Although perhaps best known for her role as Eddie, working alongside the glamorous Joanna Lumley, Jennifer s career has taken her on many different paths, including working on the internationally successful movie Shrek 2 as the voice of the Fairy Godmother, declining on OBE and ranking fifth in Top Gear s Star in a Reasonably-Priced Car challenge. In July 2010, Jennifer was to perhaps face her toughest challenge yet - being diagnosed with breast cancer. Since her diagnosis she has made a full recovery and reprised her role as Eddie in Absolutely Fabulous for a Christmas special in 2011. This is Jennifer s full, unauthorised story.
