

Sultanistic Regimes

By H. E. Chehabi, Juan J. Linz

Johns Hopkins University Press. Paperback. Book Condition: new. BRAND NEW PRINT ON DEMAND., Sultanistic Regimes, H. E. Chehabi, Juan J. Linz, Sultanistic regimes, as Juan Linz describes them, are authoritarian regimes based on personal ideology and personal favor to maintain the autocrat in power; there is little ideological basis for the rule except personal power. This volume of essays studies important sultanistic regimes in the Dominican Republic, Cuba, Haiti, Iran, and the Philippines. Part one contains two comparative essays, which discuss common characteristics of sultanistic regimes, compare them to totalitarian and authoritarian regimes, and trace common patterns for these regimes' rise and fall. Chehabi and Linz argue that sultanistic regimes do not offer favorable transitions to democracy, no matter what the person in power says. Part two applies Linz's model to country studies.

Reviews

This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who state that there had not been a worth looking at. You won't really feel monotony at any moment of your own time (that's what catalogs are for about should you request me).

-- **Cale Hansen Sr.**

Thorough information! It's this kind of good read. Yes, it is perform, continue to an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.
