### **Reviews**

*It is just one of my personal favorite books. I was able to comprehend every little thing out of this published publication. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Trafford Publishing, Canada, 2015. Paperback. Book Condition: New. 269 x 211 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book describes the life story of John LeDoux. Born in 1924 and reared in California, this story recounts the adventures of growing up in the 20s and 30s when there was no TV or youth sports programs. Youngsters in those days played sandlot ball, cops and robbers, cowboys and Indians, kick the can, and various other activities. There was little parental interaction but most of the time the kids did behave although the story does recount some mischievous behavior, especially on Halloween. This fleet footed Broadmoor gang all saw service in WWII. Some did not make it home. LeDoux went to the Naval Academy when it was still a military school not influenced by feminism. The story describes the life of midshipmen and their officers and how sometimes the strict military code was avoided. The description of one officer, Uncle Beany Jarrett is a classic. His sea stories about life in the Navy, even in peacetime, are interesting and funny, like his Mr. Roberts role on a cargo ship. He did see much of the world: the arctic, the South pole, the Western Pacific, and several trips to Europe. But it is the personalities and their interactions that grab your attention. During this time he married and fathered and helped rear 8 children. In 9 years this family moved coast to coast 8 times. He was the first civil engineer in the Navy to receive nuclear PG training. His role as a Poor man s Rickover when he was in charge of the Shore Based Nuclear power program provided grist for the mill. The Fairway Rock project illustrates how government red tape was avoided to accomplish an...
