Publishamerica, United States, 2005. Paperback. Book Condition: New. 211 x 140 mm. Language: English . Brand New Book. Duality - A written experience of duality one choice at a time containing truth, not something that is true, but truth. The reader must ferret out the meaning of the words. One can feel it on one level and also see it from a different place. Can it be? This book is an excursion through the experiences of the writer attempting to make real the inner changes in her reality. It is hoped the reader will walk a little closer to their divinity with the truth you are only responsible for changing your life. The only power you have is over your life by honoring yourself, by setting an example, by living with power behind the eyes, that brings one closer to understanding oneself. When you start listening to your heart, you are guided by spirit.
