## ESSAYS IN CONTEMPORARY PAGANISM

[DOWNLOAD](#)

John Hunt Publishing. Paperback. Book Condition: new. BRAND NEW, Essays in Contemporary Paganism, Trevor Greenfield, In this absorbing anthology twelve Pagan writers from across the globe offer a unique perspective on Paganism today in both its theoretical and practical aspects. Each writer began with a blank canvas, other than their essay must reflect a contemporary theme. In turn the essays are philosophical, practical, personal and reflective, with issues ranging from parenting to polytheism, from being a Pagan in London to the sacred landscapes of Australia, from mysticism to the World Wide Web. In their breadth these essays reflect a concern with living in a modern world, with modern technology and with understanding oneself within a tradition that is evolving and adapting to meet the needs of its adherents whilst staying true to its fundamental principles.
