## Mental Hygiene: Essays on Writers and Writing

By Ray Robertson

Insomniac Press. Paperback. Book Condition: new. BRAND NEW, Mental Hygiene: Essays on Writers and Writing, Ray Robertson, One of today's best young novelists, Ray Robertson is also one of its ablest critics. This is a collection of his most entertaining, insightful, controversial, and funniest reviews and essays written over the last five years. Believing that 'writers have a responsibility to help maintain the mental hygiene of their time,' Robertson, following in the footsteps of Mordecai Richler and other novelist-critics such as Anthony Burgess, Kingsley and Martin Amis and John Updike, is at the front line of contemporary literary debate. Whether castigating the bland cabal he refers to as McCanlit, poking fun at the trendy ephemera of intellectual fashion or arguing for his own unique fictional aesthetic, Robertson pulls no punches and suffers no fools. Divided into three sections -- 'Us,' 'Them' and 'Me' - 'Mental Hygiene' gathers together both published and previously unpublished reviews of local and international writers as well as eight highly personal essays on the craft of fiction and the writing life in general.
