Rogue Scholars Press. Paperback. Book Condition: New. Paperback. 160 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. This anthology is a project celebrating The Alternative New Years Day Spoken Word Performance Extravaganza - the 2014 event marking the 20th Anniversary of this uniquely New York tradition. The collection features the diverse work of many of the participants in what is recognizably a very verbose affair; from the seasoned wordsmith, to the literarily licentious, to the cerebrally provocative. A. N. Y. D. S. W. P. E. takes place every year in New York City's historic East Village. Hundreds of people funnel into the venue during an eight hour marathon reading on January 1st. To make the 20th anniversary extra-special, this year it was held at the world-famous Nuyorican Poets Caf. Why does such an event exist Well, if you are going to write poetry, you might as well read it aloud. And if you are going to read it aloud, people might as well come and listen. And if people are going to come and listen, you might as well make a party of it. And if you are going to make a party of it, it might as well be one of the biggest parties of the year, and if its going to be one of the biggest parties of the year, you might as well invite some of the best artists, writers, and performers to come and entertain the masses. You can also get drunk and fall in love while youre at it. In the event that you cannot make the party, weve put together this convenient little volume so you can sample the wonder, wisdom, brilliance, and madness without having to go outside. And if you did come to the party, well this book was a sure-fire way to take...
