

## Falling Short: The Coming Retirement Crisis and What to Do About it (Hardback)

By Founder and Former Managing Partner of Greenwich Associates Charles D Ellis, Peter F Drucker Professor of Management Sciences and Director Alicia H Munnell, Associate Director Andrew D Eschtruth

Oxford University Press, United Kingdom, 2015. Hardback. Book Condition: New. 213 x 142 mm. Language: English . Brand New Book. The United States faces a serious retirement challenge. Many of today's workers will lack the resources to retire at traditional ages and maintain their pre-retirement standard of living. It can be difficult for workers to make informed decisions about their retirements now based on the abundance of confusing and sometimes misleading information put forth by the media and other individuals. For this reason, Charles D. Ellis, Alicia H. Munnell, and Andrew D. Eschtruth have written this highly-accessible guide for individuals wondering what to expect when they reach retirement age and what they can be doing now to best prepare for their future. Falling Short is grounded in academic research yet written in an accessible style for anyone concerned about their future retirement. The authors provide both a vivid picture of the retirement risks facing all Americans and a short list of practical solutions that build on our existing retirement system. The book offers the necessary context for understanding the nature and size of the retirement income shortfall, which is caused by both increasing income needs--due to longer lifespans and...
