Vertical Inc., United States, 2013. Paperback. Book Condition: New. 190 x 140 mm. Language: English . Brand New Book. The tale of William Tell has never been rendered this beautifully as in Mitsuhsa Kuji s stunning debut work Wolfsmund, where a fortified barrier-station torments the Swiss Alliance murdering all who stand against it, until William and his son attempt to defy it. A fascinating reimagining of a European legend, Wolfsmund is a retelling of the William Tell legend with a focus on an actual landmark in the Uri district of Switzerland, the Devil s Bridge at St. Gotthard Pass. Filled with action, politics and drama it has all the makings of The Game of Thrones, including its share of bloodbaths, but told through a historical fiction perspective.
