

Northkill (Northkill Amish)

Filesize: 3.7 MB

Reviews

Good electronic book and useful one. It usually does not expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.

Sheaf House, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "A deeply moving, even life-changing book, Northkill brings an actual event in American history to life with such skill and poignancy I could hardly bear to read on yet could not put it down. J. M. Hochstetler and Bob Hostetler have brought the pathos and beauty of the American frontier to the page with rare authenticity and depth, crafting a story from their family legacy that will stay with you long after you finish. This historical novel is among the finest I have ever read." --Laura Frantz, Christy Award finalist and author of *The Frontiersman's Daughter* and *Love's Reckoning* "There are few better ways to learn history than through the well-told story. Northkill is one such incredible story of my family torn asunder by massacre and kidnapping, barely patched back together by faith, fortitude, and sheer luck. Read this book if you love suspense and survival against the odds. Read this book to learn about the settling and unsettling of America at the time of the French and Indian War. Read this book to discover how one family's commitment to peace was tested beyond measure, whose legacy lives on in a trail of descendants who still ponder what the cost of such peaceful convictions mean for us today. Read this book!" --James Hostetler Brenneman, President, Goshen College "A riveting tale based closely on the life of the authors' eighteenth-century Amish ancestors during the French and Indian war, Northkill kept me up nights unable to stop reading. The terror, grief, and peril faced by Jakob Hochstetler and his extended family and community are unflinchingly portrayed. Some cling to the hope that even through the most tragic and bewildering of circumstances a loving God has..."
